Services and Resources
specifically for Men**

The Annex Teen clinic and its new Mondays clinic for young men "Mannex" presents the first networking event for men who work to improve the health and wellness of adolescent males.

We will discuss topics critical to young males and share what you have been doing in your community. Be part of a strong network of men working together to provide resources and services to young males.

**Tuesday, March 10
10:00 to 12:00**

At the Annex Teen Clinic
4915 42nd Avenue North
