**NEW FUNDING OPPORTUNITY  
ANNOUNCEMENT  
# PS10-1003**

***HIV Prevention Projects for Community-based  
Organizations (CBOs)***

The goals of this funding opportunity announcement (FOA) are to:

- Provide effective HIV prevention services to persons or groups at high risk for acquiring or transmitting HIV infection.
- Fund nonprofit organizations to conduct select, standardized HIV prevention programs for the above mentioned populations that will complement and support the HIV prevention activities and interventions conducted by state and local health departments.

The websites and the four pre-application assistance activities listed below will help applicants better understand the goals and objectives of FOA PS10-1003, determine their eligibility for funding, complete the application process, and access technical assistance.

---

**The funding opportunity announcement, required attachments, and all other documentation needed to apply are now available at [Grants.gov website](http://www.grants.gov). To view the entire announcement and learn more about the CDC application process go to [www.grants.gov](http://www.grants.gov) and click on *Find Grant Opportunities*. Then, select *Search Grant Opportunities* and enter the word “HIV Prevention” in the *Key Search* field.**

---

**There is also a CBO FOA website, developed and maintained by the CDC Division of HIV/AIDS Prevention that is available here: <http://www.cdc.gov/hiv/topics/funding/PS10-1003>.**

This website also contains a copy of the FOA in its entirety, as well as links to the Grants.gov website and additional updates and information. You are also encouraged to review the FOA in advance of the four pre-application assistance activities listed below.

**PRE-APPLICATION TECHNICAL ASSISTANCE ACTIVITIES**

**FOUR PRE-APPLICATION WORKSHOPS**

- September 9, 2009 **Oakland, CA** • September 17, 2009 **Atlanta, GA**
- September 22, 2009 **Chicago, IL** • September 24, 2009 **Philadelphia, PA**

Each of the Pre-Application Workshops provides CBOs with a full day of intensive, on-site assistance with completing the application process. During the workshops, representatives from the Division’s

Prevention Program Branch (PPB), Program Evaluation Branch (PEB), and Capacity Building Branch (CBB), as well as CDC's Procurement and Grants Office (PGO), will be available to answer questions and provide detailed information tailored to the needs of a particular applicant. The workshop agenda and hotel information can be found on the CBO FOA website:  
<http://www.cdc.gov/hiv/topics/funding/PS10-1003>.

## **WEBCAST CONFERENCE CALLS**

**September 29- October 8, 2009**

CDC will conduct a series of webcast conference calls for CBOs. To join the webcast conference calls, interested individuals will need a computer with Internet connection and a telephone. After presentations on FOA application process by CDC staff, participants will have an opportunity to ask any questions they still have about the FOA. For instructions on how to participate in the webcast conference calls, as well as specific dates/times, please visit the CBO FOA website at  
<http://www.cdc.gov/hiv/topics/funding/PS10-1003>.

## **TECHNICAL ASSISTANCE CONFERENCE CALLS**

**Last Chance Question and Answer (Q&A) Calls**

**October 20- October 26, 2009**

CDC will conduct a series of technical assistance (TA) conference calls for potential applicants. Conference call participants will have an opportunity to ask any questions that they have about the FOA and the application process. Instructions and specific dates/times will be posted to the CBO FOA website <http://www.cdc.gov/hiv/topics/funding/PS10-1003>. Applicants may submit specific questions they would like to see addressed up to **24 hours in advance** of the calls to the CBO FOA email address at [CBOFOA@cdc.gov](mailto:CBOFOA@cdc.gov).
