Making Proud Choices is...

...an 8-module curriculum that provides adolescents with the knowledge, confidence and skills to reduce their risk of STI/HIV and pregnancy. This curriculum, designed for youth ages 11-13, emphasizes waiting to have sex or using condoms if young people choose to have sex.

This highly interactive training will:

- Train educators to deliver the *Making Proud Choices!* curriculum using teachbacks, role-plays, brainstorming, and videos
- Review methodology, learning theory, fidelity, and adaptations for the *Making Proud Choices!* curriculum
- Provide each participant with a copy of the *Making Proud Choices!* curriculum, an activity set, and video clips
